

Hook Infant School

PE and School Sport Funding Action Plan 2016/17

London 2012 gave Britain a once in a lifetime opportunity to inspire a nation to enjoy sport and the government wants to embed that into the school day from an early age. The school sports funding aims to build on that legacy and improve the quality of provision in every state primary school in England. Schools can choose how they use the funding, for example to:

- hire specialist PE teachers or qualified sports coaches to work with teachers during PE lessons
- support and involve least active children by running after school clubs i.e. Change4life clubs <http://www.nhs.uk/change4life/>
- purchase resources and run training courses for staff
- increase pupils sport participation

Accountability

Ofsted expect schools to report on PE and sport provision and how the additional Government funding is spent.

Schools are required to publish on their website details of how they spend, or will spend their PE and Sport funding grant.

At Hook Infant School our key aims are to:

- Introduce new planning developed around the new curriculum
- Improve lunchtime play and the participation of all children
- To provide activities for children who don't like to take part in sports type activities.
- Contribute towards maintenance and quality outside play area.
- Professional development for P.E co-ordinator and include other staff.

Funding for April 2016 to March 2017 = £8,881

Objective	Key Actions	Cost	Impact
Improve the quality and confidence for teachers in teaching PE	Teachers to observe lessons that are relevant to the Hook Infant School PE curriculum run by an Advanced Skills Teacher (AST).	£3000	Improve the quality of PE lessons and build teacher confidence when teaching PE. Give advice on expenditure for next year.
Introduce new planning developed around the new curriculum.	AST to provide new planning in gym, dance and games for KS1.	£500	Teachers will become more familiar with the PE curriculum and ensure it is taught most effectively.
Contribute towards the maintenance of PE equipment	Renew benches and mats for gymnastics.	£1500	Children are on safer equipment. Easier to store providing more space.

Improve lunchtime play and the participation of all children	Buy skipping ropes for individual skipping and group skipping. Purchase new equipment for team games.	£400	Improve child involvement and happiness during lunchtimes. Keep them active. Ensure games at lunchtimes run smoothly.
Technology for Dance	Purchase and ipod to save music on for dance lessons	£500	Music is easily accessible and well stored for teachers to access.
