

<p><u>Challenge 1:</u> Using natural resources, make an analogue clock outside. Can you make the time to the nearest hour?</p> 	<p><u>Challenge 2:</u> Play Doubles The children take turns to roll 2 dice. They score a point each time they roll a double. The first to reach 3 points wins the game.</p> 	<p><u>Challenge 3:</u> Can you complete some games on the interactive game – Hit the button – see if you can beat your high score on another day! Link below: https://www.topmarks.co.uk/maths-games/hit-the-button</p>
<p><u>Challenge 4:</u> Play a game of snakes and ladders. If you don't have the board game you could find one online to print or make your own.</p> 	<p style="text-align: center;">Year 1 Summer 2 Maths Rocket Challenges</p> 	<p><u>Challenge 5:</u> Draw around both hands. Can you write down the number bonds to 10 using your new hands to help you?</p> 
<p><u>Challenge 6:</u> Draw a map of your house. Can you describe using positional language where each room is? E.g. the living room is next to the kitchen.</p> 		<p><u>Challenge 7:</u> Help a grown up with the food shopping. Which bags are heavier which bags are lighter? How do you know?</p> 
<p><u>Challenge 8:</u> Download the White Rose 1-minute maths app for FREE and play an addition game. (Bonds to 10)</p>  	<p><u>Challenge 9:</u> In the bath or a paddling pool, can you fill two containers. Which container holds more water? How do you know?</p> 	<p><u>Challenge 10:</u> How many times can you go up and down the stairs in one minute? If you would like an extra challenge, can you count the number of stairs you climb altogether in a minute too?</p> 

Record the challenges in any way you choose. For practical tasks, adults may want to sign to say the children have completed it. Bring your work into school when it is all completed for a special certificate!
