

Hook Infant School PE and Sports Premium Funding Statement.

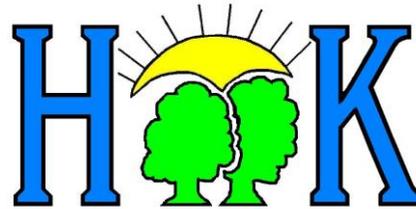

The government has allocated additional funding for schools to use to develop PE and sports and to ensure they develop healthy life styles in pupils. This money is ring-fenced and schools will be held to account about how the funding has impacted on the provision of PE and sports and the sustainability of this impact. Below you will be able to see our allocated funding each year, and you will also be able to see details of the spending and impact of this funding.

As a school we need to ensure that we are committed to developing PE, sports and healthy lifestyles for our pupils even if the funding stops or changes. We will achieve this by ensuring that some of the funding is being spent on staff training. Staff that receive this training will be able to disseminate their training to other staff members. This will ensure that all lessons, taught by all of our staff will be of a high standard.

Good quality equipment will be purchased to develop and add to the PE, sport and physical activity that Hook Infant School provides.

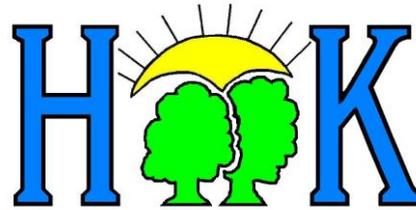

Spending is allocated against the follow 5 key indicators

- 1-Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- 2- Engagement of all pupils in regular physical activity.
- 3- The profile of PE and sport is raised across the school as a tool for whole school improvement.
- 4- Broader experience of a range of sports and activities offered to all pupils.
- 5- Increased participation in competitive sport.

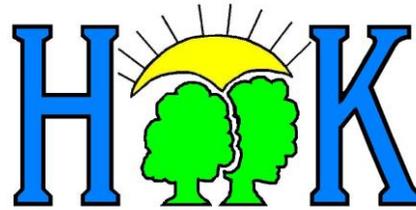

2023/2024 Sports Funding £18.387

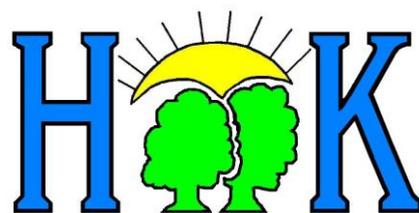

Activity	Key indicator	Cost	Desired impact
<p>Football after school club</p> <p>Gymnastics before school club</p>	<p>2- Engagement of all pupils in regular physical activity.</p> <p>4- Broader experience of a range of sports and activities offered to all pupils.</p> <p>5- Increased participation in competitive sport.</p>		<p>We offer football and gymnastics as extra-curricular clubs. These are run by outside agencies, who deliver high quality, fun sessions. Improving children's physical ability but also their self-esteem, cooperative and teamwork skills.</p> <p>We want to see as many children as possible taking part in these clubs. September 2024 multi-skills club will begin.</p>
<p>Introduction of active class award. To encourage children to be physically active for 60 minutes a day, as per government recommendations.</p>	<p>2- Engagement of all pupils in regular physical activity.</p> <p>3- The profile of PE and sport is raised across the school as a tool for whole school improvement.</p>	<p>£1000</p>	<p>To encourage children to take part in physical activity outside of school. To promote healthy lifestyles for the children and their family.</p> <p>Children are given monthly calendars to track their participation in sports and physical activity outside of school. The aim is for children to initially part take in 3 activities per week.</p> <p>Free ideas of physical activities can be found on the <i>GetSet4PE</i> website. These activities use minimal equipment and items that can be found in most homes, such as a pair of rolled up socks as a ball. This ensures accessibility to all our children.</p>

			Children will receive monthly certificates for returning their completed calendar showing all the activities they have taken part in. The class who returns the most completed challenges will receive a trophy for being the most active class.
Staff meetings, Network meetings.	1-Increased confidence, knowledge and skills of all staff in teaching PE and sport.	£2800	PE lead to receive PE training, and disseminate this to staff team. Cover for PE lead to enable attendance to relevant courses. This will allow staff to deliver high quality lesson therefore, enabling high outcomes for all children and will provide increased confidence, knowledge and skills of all staff in teaching PE and sport.
Purchase of further play time equipment.	2- Engagement of all pupils in regular physical activity.	£4600	High quality equipment at playtimes allows all children to aim towards the 60 minutes a day of physical activity recommended.
Playground play leaders. Time out of class for staff to organise and	2- Engagement of all pupils in regular physical activity.	£800	New playground equipment has been purchased for the children to use on the playground outside of PE lessons and existing equipment has been replaced as needed.

<p>teach the playground buddies games.</p>			<p>This allows children to extend and apply their developing skills away from formal PE lessons. Thus, achieving higher outcomes. Play ground leaders are also given the opportunity to gain leaderships skills through organising and overseeing playtime games.</p>
<p>New curriculum plans, CPD for all staff, Observation time for PE lead.</p>	<p>1-Increased confidence, knowledge and skills of all staff in teaching PE and sport.</p>	<p>£3600</p>	<p>When spending the PE funding it is important to see how we can use this money to secure sporting outcomes and high-level PE lessons for years to come. Therefore, this money has been spent on investing in staff and planning to ensure high quality adapted lessons are being taught.</p> <p>Following staff audits, whole school plans have been updated. We are now following the <i>GetSet4PE</i> Scheme of work. <i>GetSet4PE</i> offers extra-curricular ideas to be used alongside the curriculum planning. These plans and ideas are used by the play time leaders and lunchtime supervisors to encourage 60 minutes of exercise daily.</p> <p>PE lead is released from classroom responsibilities to observe lessons and provide support to other teachers, as needed.</p>

<p>Offsite tournaments, Football, Multi skills</p>	<p>5- Increased participation in competitive sport.</p>	<p>Sports Partnership £1500</p>	<p>This year we have been able to take 15% more of our current Year 2 cohort to tournaments held at other schools. Next year we want to increase this further. These opportunities are free to parents due to the PE funding. Cost for this include, costs of organising events, cover for teachers and staff accompanying the children, costs of a bus.</p>
<p>Sensory circuit research</p>	<p>1-Increased confidence, knowledge and skills of all staff in teaching PE and sport. 3- The profile of PE and sport is raised across the school as a tool for whole school improvement.</p>	<p>£1000</p>	<p>Along with the SENDCo the PE lead has been exploring options to introduce sensory circuits across this school. This will be looked at in depth in the next academic year with the intention of implementation across the school.</p>
<p>Outdoor learning resources</p>	<p>3- The profile of PE and sport is raised across the school as a tool for whole school improvement. 4- Broader experience of a range of sports and activities offered to all pupils.</p>	<p>£1600</p>	<p>Training, research and resources have been purchased ready for next school year. From September 2024 the children will all have an extra, outdoor, PE lesson every week. Outdoor physical activity will include some curriculum PE lessons whilst also focusing on gardening opportunities and other forms of exercise that will engage all children, including those who don't enjoy or partake in sports.</p>

<p>Improvement of outdoor spaces, including the sensory garden and rainbow garden</p>	<p>3- The profile of PE and sport is raised across the school as a tool for whole school improvement.</p>	<p>£1000</p>	<p>Improving our outdoor spaces encourages children to be outside and partaking in healthy living. Alongside teachers, children will be assisting with these improvements and maintaining these spaces, providing more opportunity for physical activity. Being outside has been proven to reduce stress levels, improve mood, and enhance self-esteem.</p>
<p>Purchase of outdoor shelter</p>	<p>3- The profile of PE and sport is raised across the school as a tool for whole school improvement.</p>	<p>£1000</p>	<p>Purchasing outdoor shelters allows children to be outside and physically active in all weathers. Lessons across the curriculum can be delivered in a more physical way outside.</p>
<p>Total spent</p>		<p>£18,900</p>
