

Floating or sinking

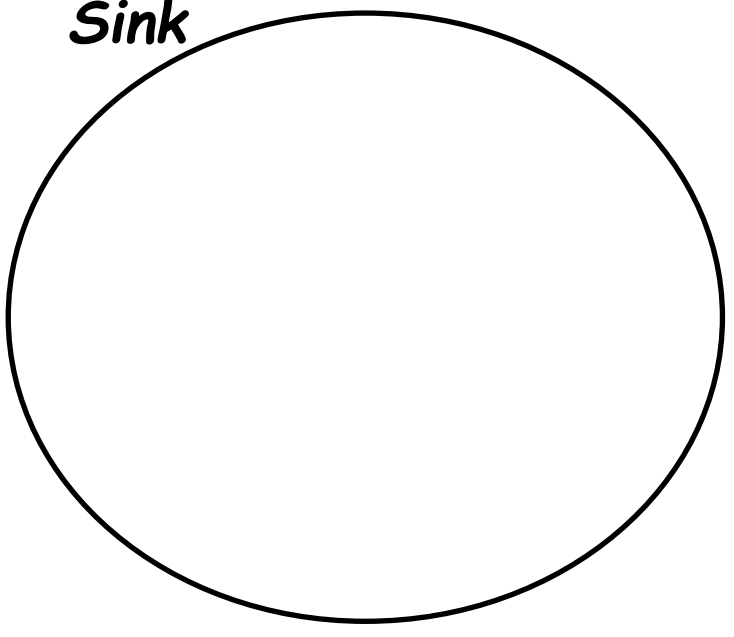

Material name <i>e.g. wood</i>	<u>Your prediction</u> <i>Will it float or sink?</i>	<u>After testing</u> <i>Were you correct?</i>

I found out:

Float

Sink

Did anything surprise you? _____

What do you think helps things to float? _____

- 😊 I can predict whether a material will float or sink. 😊 I know which materials float or sink.
😊 I can give a reason for my findings.
