## THE MISSING BEES

by The3Engineers

Thursday 17 November / 9:30 – 10.00am

**Join The3Engineers team to hear about their series of engaging books which bring awareness of environmental issues. Suitable for KS1 & KS2 / P1 – P4 Students**

The team of submarine engineers will discuss their extraordinary process used to create their book series and read their second book in the series “The Adventures of Scout” called, “THE MISSING BEES” and hold a live Q&A session for schools to ask questions.

The3Engineers have also created some FREE fantastic STEM resources for schools:
