

Hook Infant's Christmas Extravaganza!

Dear Parents/Carers,

After such a challenging year we would like to provide the children at Hook Infant School with as many magical Christmas opportunities as we can.

We know they have missed out on a lot of experiences so as a staff we have thought about how we can remain in our bubbles safely but still have these enjoyable and special experiences!

The activities we will be able to provide for the children include:

- **A special class disco in which the children can wear non-uniform for the day (snack provided), £1**
- **A 'PJ' day with snacks and a Christmas movie (food provided), £1**
- **A photo experience — Christmas selfies that will be printed and laminated to take home, £1**
- **A firepit experience — Hot chocolate by the firepit with marshmallows (food and drinks provided), £1**
- **A selection of Christmas crafts, £1**
- **A Christmas cooking experience (ingredients will be provided),**
- **And finally a 'Christmas Production' from each Year Group!**

We would gratefully appreciate a £5 donation per child (via parent-mail) in order for all these experiences and opportunities to be able to take place within school.

Thank you for your continuing support in these uncertain times.
