

We are learning how to
make a slider.

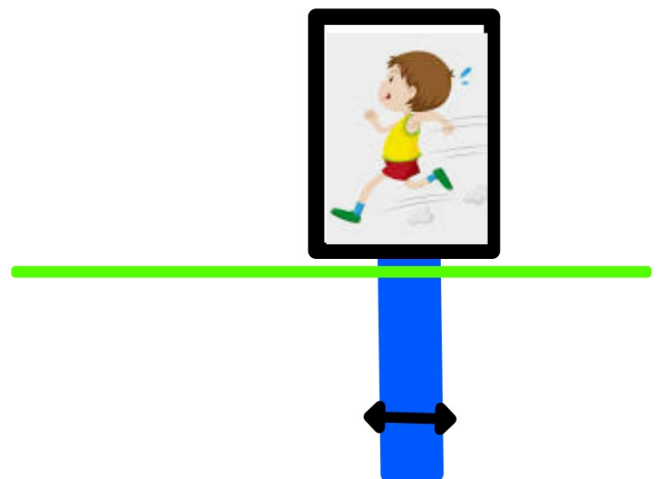

Remember last lesson...

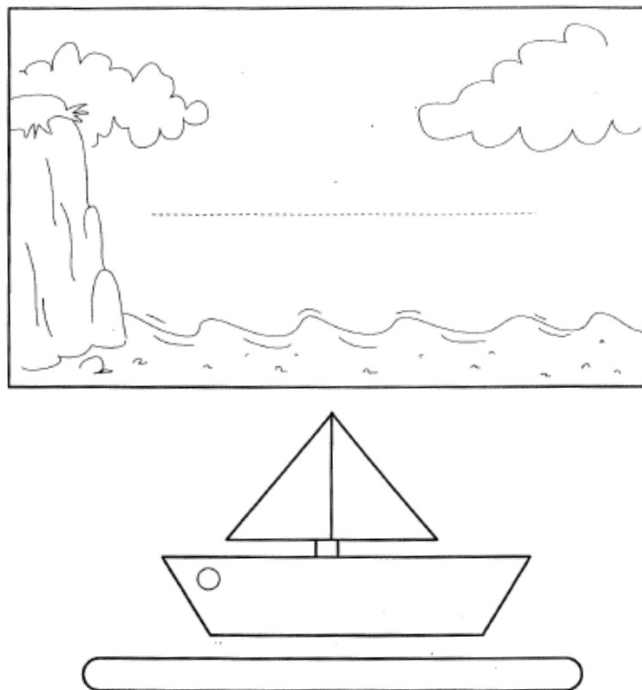

A slider can be used to move a picture up and down or from side to side, by sliding it:

Slide up and down

Today you are going to make a slider.

Cut out the beach picture and the boat.
Cut a slit along the dotted line in the sea.
Stick a card strip on the back of the boat.
Slide it along the sea.

Model

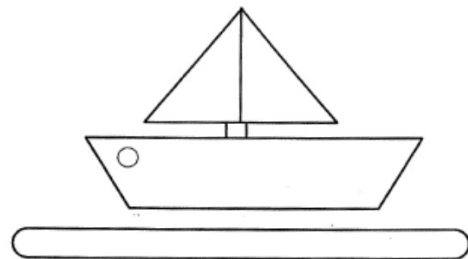

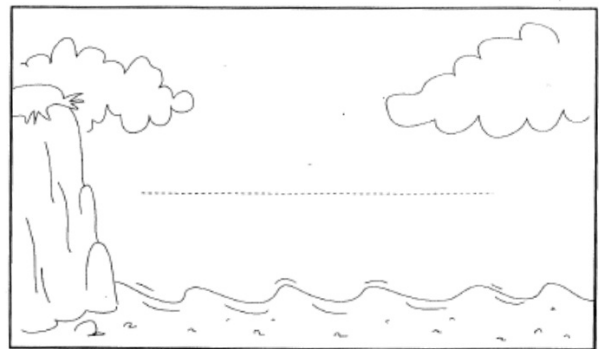

Now it's your turn...

Colour your background.

Colour your boat.

Cut out the boat -
remember to cut it out
in one piece.

Cut the slider slit on
the dotted line.

Cut out the beach picture and the boat.
Cut a slit along the dotted line in the sea.
Stick a card strip on the back of the boat.
Slide it along the sea.

Extension: Can you make a slider for a traditional tale?

We are learning how to
make a slider.
