

We have been thinking about our time at Hook Infants school.

As you know we are making an end of year video. During part of the video we would like to share some of your favourite moments.

During PSHE today we would've been talking about our memories from Year 2, Year 1 and Year R.

Please can you have a think about your favourite memories from Hook Infants, favourite trips, lessons, sports day, visits from the Titanic museum, dress-up days etc.

Draw me a picture of your favourite memory of Hook Infant school and write a sentence about why it was so fantastic.

I can't wait to see all of your memories.
